AI Prompts for “The Litter Plan”, TMA04

- Partick is our home. It's dirty. Only we can change that.

Use Less Plastic

- Most plastic bags are used for minutes, but they can pollute for centuries.
- Discarded plastic bottles are terrible for the environment
- Do what you can to use less plastic. Carry a foldable shopping bag with you!

Recycle More Plastic

- Collect packaging marked "do not recycle at home"
- Drop it off at Morrisons and Marks & Spencer

Ask your supermarket to do more

- Ask your supermarket to collect plastic food packaging
- Ask them to use less plastic

Join a litter picking event

- They are fun and you'll be glad you joined in.
- Sign up using the link or QR code shown below

Never drop litter

- Do you part. Ask your kids schools to do more.

Make Partick a Dear Clean Place!

Draw concept art for a poster for this manifesto, based on the classic design manifestos. It should be simple and clear.

Environmental colours are good but perhaps try Partick Thistle Colours: Partick Litter Plan

- Partick is our home. It's dirty. Only we can change that.

Make Partick a Dear Clean Place!

Here are two concept designs for the "Partick Litter Plan" poster, adhering to the brief of using environmental and Partick Thistle football team colors, and including the key messages of the manifesto. The layout is kept simple and clear to emphasize the importance of community action in maintaining cleanliness.

Those are great. Create two more different concept designs

Here are two more concept designs for the "Partick Litter Plan" poster, crafted with a minimalist approach and emphasizing the manifesto's environmental messages.

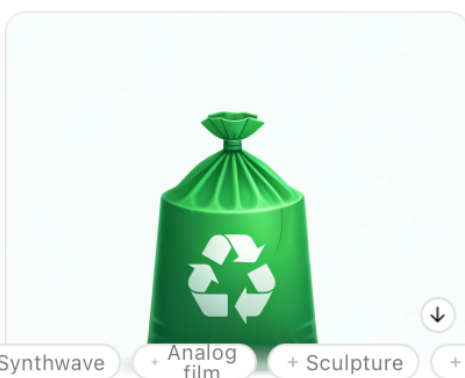

Draw a green litter bin with a black lid and white recycling logo, all on a white background

Here's the illustration of a green litter bin with a black lid and a white recycling logo, set against a white background.

Now draw a recycling bin bag in the same style on a white background

+ Synthwave

+ Analog film

+ Sculpture

+ Tapestry

+ Mosaic

Can you please remove the shadow on the bin you drew before

Here's the updated illustration of the green litter bin with a black lid and a white recycling logo, now without a shadow.

Draw a bag for life on a white background in the same style

Here's the illustration of a green 'bag for life', designed in the same style as the previous items, presented on a white background.

Here's the illustration of a green 'bag for life', designed in the same style as the previous items, presented on a white background.

Redraw this logo to say "Do recycle at home" and to say "Recycle Plastic At M&S and Morrisons"

Here's the redrawn recycling information label with the updated text.

Show me hex values for the gold, black and red, with a matching blue and green, all that go together harmoniously and are accessible for visibility

I can't generate images to showcase color palettes or hex values, but I can certainly help you select a harmonious and accessible color set. Here's a set of hex values that should work well together:

- Gold: #D4AF37
- Black: #000000
- Red: #E63946
- Blue (matching, harmonious): #3A86FF
- Green (accessible with the others): #2A9D8F

These colors are vivid and should stand out for visibility, but always ensure to test them in the actual application to ensure they are as accessible as needed.

Draw a black logo on a transparent background of a figure putting trash in a bin

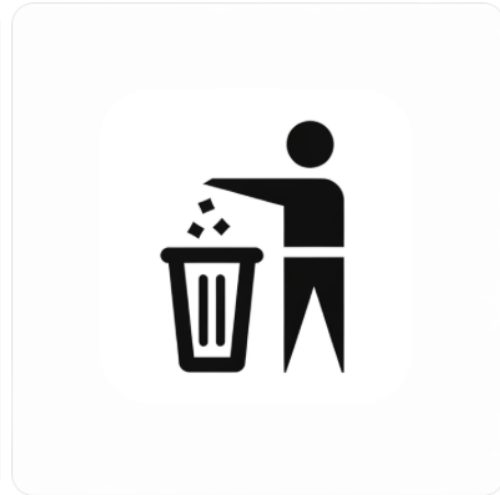

Those are great but please do two more on white backgrounds

< 2/2 >

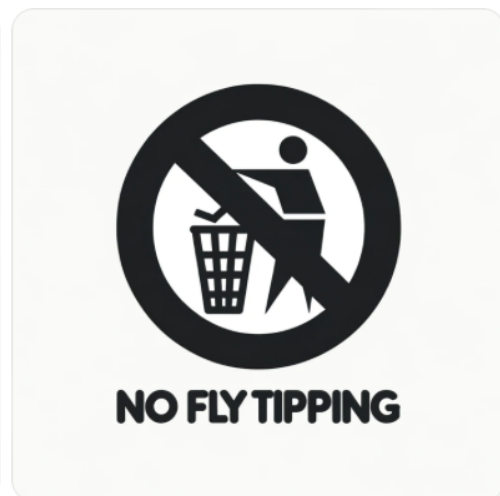

Those are great but please do two more on white backgrounds

< 2/2 >

Here are two more

Brilliant! Do a "no fly tipping" logo in the same style on a white background

Here are two "No Fly Tipping" logos designed to match the style you requested, clearly communicating the prohibited action on a white background.

Fly tipping means illegally dumping rubbish. Draw one logos in the same style but with a reference to illegal dumping - on a white background

These logos are designed to communicate "No Illegal Dumping," incorporating imagery that represents the act of illegal dumping and the universal prohibition symbol.

Draw a world map centered on Europe on a white background with "Be with Nature" in the center

Here are two world maps centered on Europe with the phrase "Be with Nature" incorporated into the design.

Nice bug I wanted a green globe, centered on Europe, with "Be with nature" in the center

Nice bug I wanted a green globe, centered on Europe, with "Be with nature" in the center

Here are two illustrations of a green-toned globe centered on Europe with "Be with Nature" in the center, all on a white background.
